Substance of Interview
 (For each issue discussed, provide a detailed description and indicate if agreement was reached. Some topics may include: identification or clarification of a reference or a portion thereof, claim interpretation, proposed amendments, arguments of any applied references etc...)

Last Thursday, the Examiner and Applicant's attorney discussed possible Statutory double patenting and 112 issues in the claims. The Examiner was to receive the amended claims and possibly filing an Express abandonment for the continued Application 13600201. The Applicant appears needing more time to discuss with the assignee. After further review the Examiner told Applicant's representative that a formal office action will be mailed today.

Applicant recordation instructions: It is not necessary for applicant to provide a separate record of the substance of interview.

Examiner recordation instructions: Examiners must summarize the substance of any interview of record. A complete and proper recordation of the substance of an interview should include the items listed in MPEP 713.04 for complete and proper recordation including the identification of the general thrust of each argument or issue discussed, a general indication of any other pertinent matters discussed regarding patentability and the general results or outcome of the interview, to include an indication as to whether or not agreement was reached on the issues raised.
